I was drawn to capturing design through architecture and furniture since early childhood. Brought up by a creative artisan, my father Gabriele Ferretti, and my mother Fiora a talented Interior Decorator helped me explore and develop my talents through the family business. Without compromising quality, together we are able to create a final product that will last a lifetime.

Lauralee Ferretti Orsino

Ferretti

Ferretti values and appreciated our customers. Our promise is to continue to merit the trust and confidence you place in us and our products. We do our best to ensure all dimensions, colours and prices are accurate at time of press. However, due to the nature of the business, products, prices, or specifications are subject to change without notice.

DIMENSIONS

All dimensions are shown in inches and as we proudly make each piece by hand the dimensions may vary + or – one inch.

Ferretti has standard dimensions of

SOFA 72W x 39D x 27H

LOVESEAT 48W x 39D x 27H

CHAIR 24W X39D x 27H

These measurements are not including the width of the arms and the height of the leg. Each piece can be customized to the customers preference.

FABRICS & FINISHES

All colours and materials may vary slightly from the original samples due to variance in manufacturing and dye lots. *Ferretti* cannot be held responsible for slight variances but will ensure that the purchaser will be informed in advance if any variances will be significant before proceeding with construction.

LEATHER

Leather is a natural material, every hide uniquely enhanced by natural features. Wrinkles, scratches, insect bites, healed scars and other natural markings should not be considered flaws. Colour variations occur normally from hide to hide as no two hides are alike.

FURNITURE CONFIGURATION

It is the responsibility of the purchaser to ensure the layout of the furniture is correct (ex. Configuration of chaises on sectionals). We recommend measuring hallways, stairways, elevators and entryways before confirming orders.

RETURNS

Absolutely no returns or credits will be permitted without the express consent of the *Ferretti* sales department. Should a return be granted a 25% restocking fee may apply.

GENERAL FEATURES

ANATOMY OF A *Ferretti* SOFA

Our Production happens 100% in Canada, because we are committed to outstanding craftsmanship and supporting the North American economy. Each piece is constructed by hand, using traditional techniques perfected over 40 years

1. **HARDWOOD FRAME:** All frames are constructed using only the finest hardwoods available. They are assembled using screws and glue along with dowels and corner blocks for extra strength.
2. **SEAT SUPPORT:** All *Ferretti* frames are fitted with a unique Flex-Coil spring unit. *Ferretti* also offers 8-way hand tied seating support. Both are built to last and installed by hand with the utmost care.
3. **CUSHIONS:** Only the highest quality, which is also the longest lasting foam in the industry is used. For some styles or custom pieces *Ferretti* uses blend down wrap around the foam core which allows for a more surface softness of the material. Either way, there is always proper support of the body and conforms to one's shape
4. **PADDED ARMS AND BACKS:** The true feel test of quality. Our sofas are the only sofas with full padding on the outside arms and the back of the sofa.
5. **DOWN BLEND TOSS CUSHIONS:** Our toss cushions are soft and fluffy using the perfect mix of feathers and fiber allowing for optimum style and comfort.
6. **QUALITY TEXTILES AND LEATHER:** All of our materials come from socially responsible factories and mills from around the world.
